C4CONNECT – WE MAKE DIGITALIZATION SIMPLE

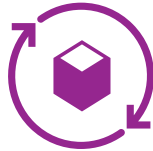

IN LINE WITH THE SLOGAN “WE MAKE DIGITALIZATION SIMPLE”, WE ARE REALIZING OUR VISION OF THE CUSTOMER-FOCUSED C4 BUSINESS.

For us, digitalization means more than simply introducing new technologies. As a reliable and competent partner, we work together with you, our customers, to develop digital solutions which make your businesses and ours more efficient and more successful.

With our eBusiness solution C4Connect, we provide 24/7 availability and service to you:

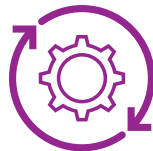

- We can jointly ease your order management process through our C4EDI Connection.
- You can use our order management portal C4Orders to access your current and completed orders as well as for placing new orders via one mouse-click.
- Using our C4DRIVOSOL® Tuner and the future eCom-merce application C4Buy, you can find out about the availability of our products and obtain personalized offers at any time of the day.
- Our planned business management platform C4Business provides you with information on the current contract status, a business overview and joint development projects.

WE ARE READY TO OFFER TO YOU:

C4EDI

Together with our EDI interface Elemica, exchanging order data between your system and our system will be improved and lead to an overall more efficient order management process for both of us.

C4Orders

Our Order Management portal grants you access to all information concerning your current and historical orders, including the main order relevant documents. The portal also allows you to set up your order directly in our ERP System.

C4DRIVOSOL® Tuner

The DRIVOSOL® family offers high-purity propellants consisting of n-Butane, Isobutane and Propane. The mixtures can be adjusted according to your needs with flexible pressure stages between 1.2 and 7.8 bar. You can directly formulate your favorite DRIVOSOL® with our DRIVOSOL® Tuner.

WE CAN SHORTLY OFFER TO YOU:

C4Buy

With our Offer Management solution you will be informed 24/7 about the availability of dedicated products. Participate in our bidding process or configure your own personalized offer. C4Buy will be available for you later in 2018.

C4Business

Our Business Management platform supplies you with many important business figures around your current contracts & supports our mutual planning process (Collaborative Planning). Entering into agreements with us has never been easier. C4Business will be available for you beginning of 2019.
